

BANGALORE 2009

Quest'anno Gnatologia.it, in collaborazione con ICNOG e IDRR, ha espletato il suo corso level 1 e 2 a Bangalore in Agosto Con i Dott. Silvestrini e Savastano. In concomitanza con Dentistry 2009, uno degli eventi dentali più importanti dell'India. In questa sede è stata presentata anche una relazione da parte del Dr. Savastano. Il corso, come sempre svolto in ambiente amichevole, ha allargato le conoscenze gnatologiche, ortodontiche e posturali, attraverso l'apprendimento della fisiologia neuromuscolare, al folto gruppo di dentisti presenti. Gli esami finali hanno avuto risultati lusinghieri, confermando la qualità e la chiarezza di esposizione del corso.

This year, www.gnathology.org, in collaboration with ICNOG and IDRR, teach level 1 and 2 course at Bangalore in August. The teachers are Dr. Piero Silvestrini and Dr. Fabio Savastano, during Dentistry 2009, one of most dental events in India. On Dentistry 2009 Dr. Savastano make a presentation. The course, maked in friendly mode, expand the gnathologic knowledge, also in orthodontic and postural way, between the understanding about neuromuscular fisiology. The final exams shows better result to confirm the quality and clearly course teaching.
